Dear sir / Madam,

REF: APPLICATION FOR INDUSTRIAL ATTACHMENT

I am writing to express my interest in securing an industrial attachment at your organization. I am a student at Maseno University pursuing Bachelor of Science Degree in Information Communication Technology Management (ICTM).

During my studies, I developed a strong foundation in System administration, Database Management, Web development and Microsoft Office applications. I believe that this industrial attachment will provide me with practical experience, as I am dedicated and ready to contribute my skills as I learn from your team.

I am available for the attachment from 5th May to 5th August, 2025 as per my ~~y~~ School's calendar. Attached to this letter is My CV, insurance cover from Britam and a recommendation letter from my University. I would be grateful if you could consider my application. I look forward to the possibility of learning and contributing to your organization.

Yours faithfully,
